**SUBMISSION OF PROPOSED DRAWING CORRECTIONS**

Sir:

Submitted herewith are proposed drawing corrections for Figures 3, 4, 5A and 5B, marked in red, showing the proper cross hatching of the electrical insulator that is specified in the Specification.

In addition, submitted herewith are Figures 3B and 3C, marked in red, indicating a "core," a "solder coat," and an "insulator sub-core" of claims 5-7, and the "through-hole" or "central hole" and "conductor" of claims 15, 16 and 20 that is specified in the Specification.

Additionally, a proposed new Figure 6 is attached.

No new matter has been added. If approved, such corrections will be incorporated into the formalized drawings. Approval and acknowledgment of receipt are respectfully requested.
